

10 ft Coax High Res Low Profile VGA Monitor Extension Cable - HD15 M/F

StarTech ID: MXT101LP10

This 10ft VGA extension cable features a super-thin lightweight design, as well as slim, low profile HDDB15 connectors - a high quality solution that can easily be carried in a laptop bag, or used to minimize cable clutter in desktop environments.

The VGA Extension cable is designed to extend a VGA video connection without the annoying "ghosting" and fuzzy images that are inherent with non-coaxial cables.

Applications

- Extends VGA/SVGA monitor cable
- Lightweight video cable for laptop use

Features

- Ideal for high resolution monitors (1024x768 and above)
- Impedance matched at 75 Ohms for full brightness and vibrant picture color
- Molded connector ends with strain relief

Technical Specifications

Warranty	Lifetime
